

College of Arts and Letters First-Year Students

Explore Your Future *with* CAL Advance

CAL **Advance** helps you explore your career options — no matter what you're majoring in within the College of Arts and Letters! There are so many paths to success, and at CAL, we know **your major doesn't define your future — it expands it.** Whether you're exploring new interests or building on your current goals, **CAL Advance** is here to help you connect your passions to real-world possibilities.

DISCOVER YOUR CAREER PATH

Choose the **CAL Advance First-Year Seminar (GENS-100) track** that sparks your interest and get ready to explore. You'll take part in four signature experiences that connect your interests with real-world learning opportunities from young alumni and industry professionals in your choice of these five areas:

1

Public Service, Social & Global Impact

For students passionate about making a difference through community work, advocacy, or diplomacy.

2

Education & Academia

Ideal for future educators, researchers, or anyone drawn to the learning process.

3

Business, Finance, Entrepreneurship & Technology

Explore innovation, digital tools, financial literacy, and creative business ideas.

4

Legal & Policy Analysis

Get insight into law, public policy, justice, and civic leadership.

5

Sustainability & Environment

For those interested in climate action, sustainable systems, and environmental change.
