WE SUPPORT YOU

CAL's Student Success Center offers a comprehensive range of services to support students in the College of Arts and Letters.

Our mission is to enhance your college experience by providing individualized assistance that will support your academic, career, and personal goals as you attain your degree.

We understand the challenges and opportunities that college can bring and are prepared to walk alongside you from your first day of orientation until the day you graduate and walk across the stage at SDSU commencement. **We help you:**

- ✦ Explore majors and minors to find the right fit
- ✦ Understand degree requirements and track your progress
- ✦ Learn the habits of an effective college student, including time management and study skills
- ✦ Get back on track if you begin to struggle academically
- ✦ Navigate campus policies and options — there are always options!
- ✦ Develop your leadership abilities, connect with other students, and get involved on campus
- ✦ Identify opportunities to engage outside of the classroom
- ✦ Find and connect with campus resources to support your success
- ✦ Select intentional experiences and internships that lead to meaningful work after graduation
